This summer we have so many ways children and families can connect to one another. Be sure you make notes of the dates and come to whatever you can!

Feel free to contact me with any questions you might have.

Peace,

Nursery: Eight Weeks — Walking
Room 104
This room is your child’s introduction to Church. Here they will be cared for by trained workers who give the very best care. Families are asked to bring all necessary items to the nursery (diapers, bottles, etc). When families arrive, one of our staff will help take care of the check-in process and getting the babies settled. The room offers a split space, one for playing and interacting; one for sleeping babies and nursing mothers.

Once a child is walking they are transitioned out of this room.

Threes and Fours
Room 107
The classroom and playground are geared towards engaging children’s whole selves. Trained providers show children the love of God while helping them learn how to be in relationship with others.

Worship
Every Sunday during the Summer, children ages three and older begin worship in the Sanctuary. Children in our Threes/Fours class are invited to sit on the large rugs at the front of the sanctuary. Elementary children sit with their families. All children leave after a portion of worship (indicated in the worship guide) to go to a time of learning and play designed for their age group. Children are invited to stay in worship whenever they would like.

There are a few Sundays a year when our elementary (TK-5th Grades) children will stay for the entire worship service. These Sundays are special occasions when we invite our children to experience all the elements of worship.

Summer Rooms
